Livestock Zimbabwe Update: 31st July 2020

OVERVIEW

While the business environment copes with many challenges the resilience of Zimbabweans has once again been highlighted as the nation adjusts to new working hours and the reality of the pandemic. A number of businesses have temporarily closed to manage disinfection after staff have tested positive for COVID-19 and tightened movement restrictions are still in place.

Zimbabwe Commercial Rabbit Breeders Association

ZiCORBA has launched its website www.zicorba.com, Facebook page

<https://www.facebook.com/Zimbabwe-Commercial-Rabbit-Breeders-Association-108225724315554/notifications/> and Twitter handle

<https://twitter.com/RabbitZimbabwe> as it seeks to put Zimbabwean rabbit breeders on the global map and position rabbit meat as the preferred addition to people's menus the world over.

The Association has embarked on a number of studies on rabbit production and marketing in the value chain to come up with evidence-based interventions that will scale-up the contribution from the sector to the gross domestic product.

The Association, which was formed in July 2020, has established Regional Chapters in each province and each Chapter has a functional executive of seven people headed by a Chapter President. 17 members sit on the National Executive, including 10 Chapter Presidents. Dr Annamore Jamu is the Interim President of the Association while Mr Regis Nyamakanga is the interim Secretary General.
