Livestock Zimbabwe Update: 10th September 2021

OVERVIEW

The county is now in level 2 lockdown measures and most businesses are now open from 0800hrs to 1700hrs. The Livestock Centre is open from 0800hrs to 1600hrs between Monday and Friday.

ZPA

The poultry industry is celebrating 47 years in the poultry industry for Mr Robert Benza who has now retired. His last assignment has been with Hukuru Chicks where his retirement was marked and celebrated at a ceremony on 31 August 2021. In line with this, The Herald will be running a supplement on Friday 17th September 2021.

ZICORBA

Construction of Zimbabwe's first rabbit abattoir is complete and trial runs are currently underway. The Harare based abattoir, which was built to export specifications, is among the biggest and most modern in Africa, with an installed capacity to process between 2,5 and 3,5 tonnes of rabbit meat per eight-hour day shift.

Plans are underway to construct Zimbabwe's second rabbit abattoir in Bulawayo in readiness for an anticipated spike in rabbit production in Zimbabwe.

Enclosures
